We are currently seeking people to either teach (paid positions) or volunteer. If you are interested, please contact Mary Hood, Director:

770-917-9141

mary.e.hood@gmail.com • www.archersforthe lord.org

If you leave a phone message, please indicate you have questions about the center. Please do NOT call the church with questions.

As the semester progresses, we may add additional classes and activities, such as clubs and organizations in areas such as robotics, drama, and music. We intend to be a full service resource center, with curriculum counseling, a lending laboratory, a mentoring program, testing services and a curriculum lab, as volunteers and staff show up and help us grow our programs.
